A few words about MyClassStudio

*There are two ways to live your life
One is to live as if there are no miracles
The other is to live as if everything is a miracle*

Albert Einstein

Authentic Chinaware

Design

Design for the daring and the resolute

We know MyGlassStudio is not "normal" dinnerware design.
It is precisely this that makes it **distinctive**.
It is not a commodity.

It has all the wrong qualities!
It is made of glass.
It is not machine made.
It is unpretentious, unusual and idiosyncratic.
It is colorful, vibrant, funky and cool.
It is not normal!

Moreover, it is not luxurious.
That's because it is **precious**.
It is precious because it is Unique and Authentic.

Nevertheless, it will leave a mark in the property.
It will make a difference in the dining experience.
It will help create an authentic **Memorable Experience**.

authenticity

Beauty of Imperfection

"MyGlassStudio makes me feel warm. How can I explain?
I can feel the warmth of the personality who created them."

Satoshi Nakata, Raku Raku restaurant, Kyoto, Japan

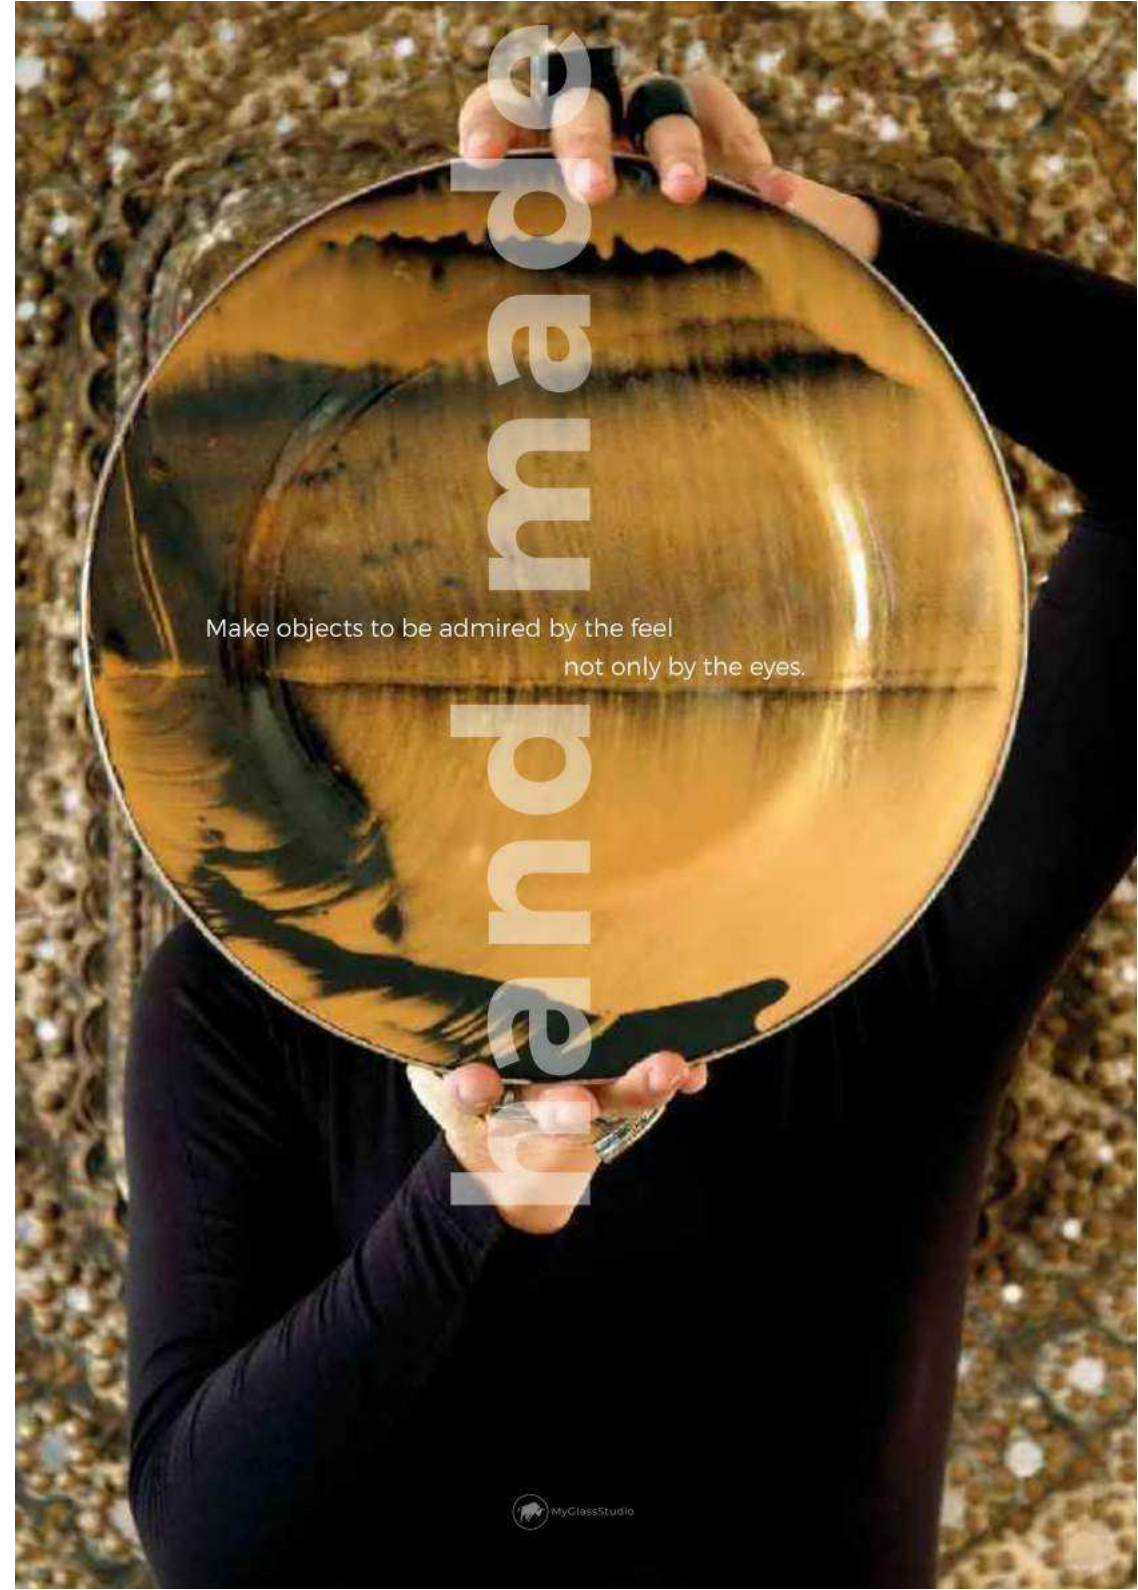

Everything in nature - the sea, hills, valleys, our body - is curved. We feel comfort with curves. It is a primal shape.

Machines produce the straight line. Machines produce perfection.

Hands produce **beautiful imperfection**.

A "boutique factory" like MyGlassStudio, is a place where people are focused on values like creativity, dedication and sharing.

Our purpose is to plant all around the world the **"Secret Beauty of Imperfection"**: the softness and quality of the Curve.

Make objects to be admired by the feel
not only by the eyes.

Boutique Factory

*MyGlassStudio is not a glass factory
it is a "Boutique Factory."*

Big enough to serve the market globally
Small enough to adapt to individual customer needs.

MyGlassStudio is a **Boutique Factory** specializing in glass dinnerware for professional use and a leader in the category. We have been serving the hospitality market for more than 20 years now.

Our aim is to create tableware concepts that add value to the offering of a restaurant as well as to conform to professional kitchen requirements:

As a Boutique Factory we work in a "boutique" way:
We are small enough to adapt to specific environments and big enough to handle our luxury clients professionally and exclusively.

Boutique

Instruments for Professionals

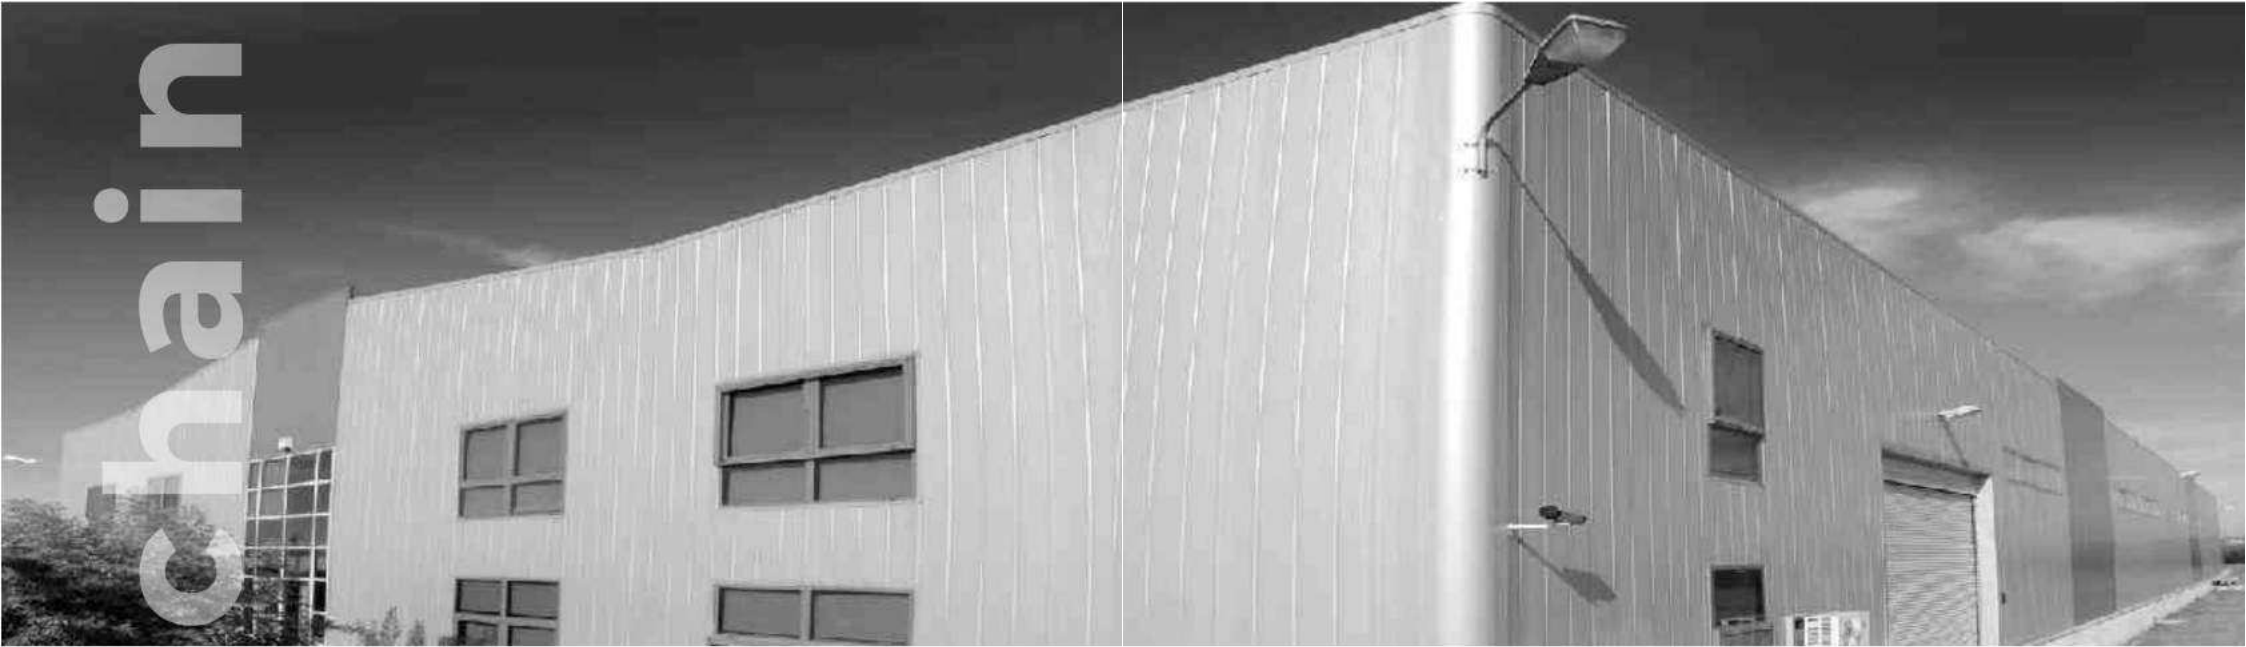

If it doesn't work, don't do it.
We only do Instruments for Professionals.

I have used MyGlassStudio's extensive range in some of the worlds' most demanding volume hotel operations. The online catalogue, personal service and general "easy to deal with" philosophy of Anna and Vasily, makes the difference ... MyGlassStudio is number one in the glass plate category!

Wolfgang Fischer, Executive chef, Emirates Palace, Abu Dhabi
